

Measuring Webinar

Here are the skills we are covering today.

Skill: Naming	Call items a measuring cup or spoon Name the color or material they are made from Do not call the cups and spoons by size yet
Teaching Ideas	

Skill: Counting	How many cups of rice? How many spoonfuls? How many “yellow” cups fill a “blue” cup
Teaching Ideas	

Skill: Sorting/size	Sort by size, but don’t name the size for your child. Just work with smaller or larger at this time.
Teaching Ideas	

Skill: More or less	When your child is ready, which may be when they are 5, ask them if a cup holds more or less than another cup
Teaching Ideas
